## Directions

### From Prospekt Mira (from the center):

From Prospekt Mira take right into Malomoskovskaya street ( after subway Alekseevskaya ). Move through roundabout. Take last right in front of railroad. LightDesignProject is situated on the right, near the end of the road, on VNISI territory. Pass directly through a barrier. Through 50 m on the right there will be a yellow building. An entrance door is located in the corner. Call in a door intercommunication system. Rise on 2-nd floor. The pass is desirable for ordering in advance, having called in LightDesignProject.

### From Yaroslavl'skoye shosse (to the center):

From Yaroslavl'skoye shosse take left into Cosmonautov street. On the first crossroad take right into Yaroslavskaia street. In the end of street on T-shaped crossroad take left into Malomoskovskaya street. Move straight, then through roundabout. Take last right in front of railroad. LightDesignProject is situated on the right, near the end of the road, on VNISI territory. Pass directly through a barrier. Through 50 m on the right there will be a yellow building. An entrance door is located in the corner. Call in a door intercommunication system. Rise on 2-nd floor. The pass is desirable for ordering in advance, having called in LightDesignProject.
